

My path into ocean work

Planner and practice application

Name: _____

My ocean job: _____

When	My steps
This year	
In senior high	
After school	
In ten years	

Three skills to build, and how

One person I could ask for advice

Practice job advert: Youth reef volunteer (fictional)

A coastal conservation group needs young volunteers to help with beach clean-ups, talk to visitors about the local marine reserve, and record what they find. You should be reliable, friendly and happy to work outdoors. Speaking the local language is a bonus.

Why I would be a good fit (use evidence)

Feedback from my partner
