

The fishing game

Record sheet, one per group

Group: _____ New fish = half the fish left, rounded down. The sea can never hold more than 24 (game C: open sea 16, reserve 8).

Game A: no talking

Season	Fish at start	Family 1	Family 2	Family 3	Family 4	Total caught	Fish left	New fish	Fish at end
1									
2									
3									
4									
5									
6									
7									
8									

Game B: talk it over

Season	Fish at start	Family 1	Family 2	Family 3	Family 4	Total caught	Fish left	New fish	Fish at end
1									
2									
3									
4									
5									
6									
7									
8									

Game C: with a no-take reserve (add the fish that swim out of the reserve to New fish)

Season	Fish at start	Family 1	Family 2	Family 3	Family 4	Total caught	Fish left	New fish	Fish at end
1									
2									
3									
4									
5									
6									
7									
8									

Which game gave the most points over all 8 seasons? Why?
