

If you meet a pawikan on the beach

1. Stay back and keep quiet.
2. No torches, phone lights or flash photos.
3. Never touch a nesting turtle, her eggs or hatchlings.
4. Let hatchlings crawl to the sea by themselves.
5. Tell an adult, who can report it to the barangay or the DENR.

All sea turtles are protected by law in the Philippines. Free to use and share for education. Made by Marine Conservation Philippines. More free lessons: marineconservationphilippines.org/resources/teachers-resources/
